He met then a camel who taught him how to manage his effort so as not to get tired.
The jaguar loved other animals more and more. Il remercia le dromadaire.

7

A snake finally taught him to move without making noise.
And the jaguar was able to run even faster than before and further.
ringraziò il serpente. *

*He thanked the snake.

Since that day, the jaguar still ran after other animals but to play.
They even elected him the king of the savannah.

Alone we go faster,
together we go further.
